Doctoral Degree in Cognitive Science

2020/2021

The Doctoral Program in Cognitive Science of the University of Lisbon has as its primary goal the training of a new generation of experts who can combine its various disciplines into an integrated science of cognition, mind and brain, as well as explore the application of the knowledge generated in this domain. To fulfil this goal, the program counts on the contribution of professors and researchers from Neuroscience (Faculty of Medicine), Cognitive Psychology (Faculty of Psychology), Computer Science (Faculty of Sciences), Linguistics (Faculty of Letters), and Philosophy of Mind and Cognition (Faculty of Letters).

5.7. Registration: September 14 – 25, 2020

5.8. Estimated beginning of classes: September 14, 2020

N.B.: For the academic year 2020/2021, this is the only period of applications. There will not be a second period of applications.

6. Fees

6.1. For foreign students, each applicant must pay an application fee of 60 euros (non-refundable).

6.2. For candidates admitted in 2020/2021, the amount for the annual fee is 2750,00 euros in the first year, and 1500,00 euros in the remainder years. The Management Council of FCUL did not fix yet the possible number of instalments for 2020/2021 – indicatively, we inform that in past year this amount could be fully paid on enrollment time or gradually paid in four instalments along the academic year (the first of which at enrollment time).

6.3. The fee is paid via ATM references provided by the academic portal of the Faculty of Sciences or at the Serviços Financeiros of the Faculty of Sciences (Alameda da Universidade, 1600-548 Lisboa) during office hours.
